

Case Packing and Shipping Instructions

Package and ship your case: Free shipping on all cases

- Separate models, secure impressions, and bites
- Bubble wrap objects
- Add a prescription
- The tape box securely shut
- Attach the created shipping label to the top
- Note: When shipping crowns, bridges, or shade tabs, wrap them separately in a small container/sealed bag

Schedule a pickup with U.P.S. online or call 1-800-PICK-UPS

Or

Drop off your package at the nearest U.P.S. facility. We will receive the package on the next business day

To save on shipping costs and promote sustainability, please pack multiple cases in one box

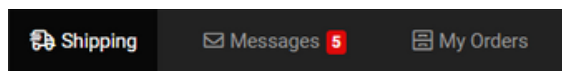

Creating shipping labels: Shipping labels are generated through your online portal. After placing an order, you can print the label immediately or access it later under the “Shipping” tab for created orders. For a step-by-step guide, visit our shipping label Instructions page.

Thank you for your order
